Thank you to everybody who attended the last meeting and put their ideas and concerns forward.

Please find agenda for next meeting below :

## Agenda –nothing nominated

Remember if you have anything to say or any ideas please come to the meetings and put it on the agenda. You put it on the agenda one month and then it is discussed at the next meeting once everybody has been informed about it.

**IMPORTANT !!!!!** – When you are camping please make sure that all your rubbish is put in the bins, we shouldn't have to go around after the weekend and pick up rubbish, this is your responsibility. There is plenty of bins around the grounds. Also the **steel pickets around the trees** on the grounds, please don't pull them out, they are there for a reason. They should be left alone, don't tie horses to them etc. So please remember to put your rubbish away, when you arrive the grounds are clean and tidy and that is the way that the committee expects it to be left. Someone else shouldn't have to tidy up your mess. Thank you

The club would also like to welcome **Saddleworld** as one of our major sponsors. They are going to give us sponsorship towards our buckle series for the next 3 years, so we thank you for your generosity it is greatly appreciated.

The points system in the open team penning has been changed. We are still going to pay on a sliding scale where we pay 1 in every 10 (eg we have 95 teams we pay to 9<sup>th</sup>), this way more people receive money. The points will go to the top 10 teams in each round.

## PLEASE READ: VERY IMPORTANT FOR NEXT 2 ROUNDS

The next 2 rounds are going to be run on the Friday night and Saturday. We have decided to do this, so it is easy on the cattle as the days are getting hotter, it will also work out well for our final round so we can have our presentation of everything on the Saturday night and everybody can enjoy themselves. Make sure you look at the nomination forms the 2 days will be slightly different on the Friday night. The last one will still have the NBHA jackpot on the Friday night starting at 6.30pm, and then the juniors beginners and juniors will follow.

**Can all nominations be in on time as I will have a lot of work to do as we have 2 weekends running.**

**NEXT MEETING-15<sup>TH</sup> October 7.30PM**

**Cutting practice** - 10th October **4pm (30 runs only)**. \$15 per run. Nomination form attached. Break up cutting day, bring a plate for afterwards. First in first paid. Once you pay and then you need to cancell - before 72 hours you will get your money back, if you cancel 72 hrs or under, you will only get your money back if you can fill the spot with someone else. It makes it hard for the club when we bring in the right amount of cattle and then people pull out after cattle have been ordered. We will try and help you were we can. We do understand that in some circumstances it is hard to notify earlier.

**3D Barrels – 11<sup>th</sup> October \*\*\*Last one for the year\*\*\*\*\* – running straight after the novelties are finished.**

**Approx 12.00** – would like entries to be pre-nominated if possible please, you can still pay on the day.

**WE WOULD LIKE TO THANK ALL OUR GENEROUS SPONSORS OVER THE YEAR OF 2009. WITHOUT YOUR HELP THE DAYS WOULD NOT BE THE SAME , SO THANK YOU VERY MUCH IT IS GREATLY APPRECIATED.**

*See sponsors page for a list and if you can support our sponsors in same way, I am sure they would appreciate it.*

We would also like to give a big thank you to our tireless workers, who before each event or on the days, volunteer their time and effort to make sure the days run smoothly. Without these people behind and in front of the scenes our days could not go ahead. So if you see these people during the days say Thank you, a thank you can go a long way, we would all love to sit on our horses talking and having fun but without these people we wouldn't be doing the sports we all enjoy doing. Remember it is all voluntary to make our day better.

#### **To Gympie Horse and Rodeo Association**

I would like to say a very huge THANKYOU to Gympie Horse and Rodeo Association for helping me with my trip to America by donating to my trip. I would like to thank all the members of the association very much for their contribution to this trip. Although I am very nervous about the whole experience, I hope I will do Australia, and the association proud when I compete over in America. Thankyou everyone with all my heart!!!!

From Tamika Anderson

A big **Thank you** must also go out to **Jason Guest and Caron Granger** for the website that they are setting up for the club, if you haven't had a look yet, jump onto the net and have a look. Jason is in the middle of doing the nominations up so you can nominate on line from the website. It looks great and is all very exciting. **Thanks Jason and Caron !!!!!**
