Thank you to everybody who attended the last meeting and put their ideas and concerns forward.

Please find agenda for next meeting below :

Agenda

What a great South East Qld Team Penning Championships, we have had so many positive comments about the weekend. A big thank you must go to everybody who put in the hard work and effort to make it a great weekend. **Thank you to Geoff Nord and Willie McAuliffe** for fencing off the area for horses to wait in for their turn. This was put in place so that spectators don't have to walk between horses and also the mesh put around the back and sides of the grand stand fence, it is now child friendly. **Thank you** to Steve Moody for the great job on the mic over the south east qld champs weekend, we appreciate it very much. **Thank you to all back yard workers** for the SEQ without them no one would be penning, they put in a lot of hours and hard work.

Our next round is on the 19th & 20th September, nominations form did go out in the last newsletter, but I have also left them in this one incase somebody has lost them. Closing date is approaching fast, so get your nominations so you don't get disappointed. We have 2 more rounds after this one, they are both in October. Two weekends following each other so please mark the dates from our calendar attached to your calendar.

Just a reminder to **dog owners** (especially for big dogs). Please don't tie your dogs up around the grand stand area, this area is for children and spectators to enjoy our days. Dogs need to be tied up to your car / float etc on a **short** lead so they can't come out when people / children are walking by. **Many Thanks**

Novelties – 13th September – starts 10am sharp - nominations from 8.30am – 9.45am A **big thank** you must go out to **Patsy Brown and Family** on a great day at the **George Hawkins Memorial Novelty Day**. We had about 35 riders, which is great to see. Patsy has also been busy on the internet finding new events, which makes it a lot more fun for everybody. What a great job you are doing Patsy, I'm sure everybody appreciates the work you put in, as it isn't just as easy as turning up. all the events have to be set up. which is a big job as Leona and myself know as we did it for years.

IMPORTANT *** PLEASE READ *******

NO HORSES !!!!! ARE ALLOWED IN THE MAIN GRASS ARENA

Horse Floats/ Goosenecks and Cars are allowed to park in this area, but horses will have to be left outside (you will have to carry your saddles etc to your horses), this is a major legal and safety reason. If horses come into this area it will have to be closed to people parking their vehicles, We originally allowed competitors to park here as the parking gets fairly full outside. So please follow these rules, or if something happens it comes back on the committee members and we don't need them taking responsibility for someone doing the wrong thing. **Thank You**

Barrels - on the **Friday 18th September** our club is going to hold a junior 4D/3D Barrel jackpot for the juniors, it will be run before the NBHA open 4D jackpot. It will be \$10 per horse, if you ride the NBHA jackpot you can not ride the junior. If you aren't a member of the GHRA you will have to pay \$15 day membership. It will be **starting at 5.30 sharp** as the open event starts at 7pm and we have to be finished so the open can warm up. Can you please nominate before hand though you can pay on the night but just let me know then I can have some sort of draw done and it will save a lot of time as I also have to organize them.

Congratulations : **James and Kelly Bryant on the safe arrival of their 1st Baby a beautiful baby girl – KEIRA JADE . (I suppose we will forgive you for not riding at the south east queensland champs)**

GET WELL SOON : **We would like to send our best wishes to Greg Veivers who broke his leg in 2 places, last weekend. We wish him all the best for a speedy recovering. Greg try not to give the nurses a hard time. Hope you are feeling better soon.**

THANK YOU – to John Samain for kindly lending us his cattle for the cutting practice. It was greatly appreciated and everybody enjoyed themselves. Many Thanks

FOR SALE

Horses – Matt and Mahri Dobson

(Matt – 0438861289) (Mahri – 0419861202)

Barcoo – 10 yr old gelding, approx 16 hands, good temperament, suits intermediate rider. Barcoo has competed in campdrafts and usually scores. Easy to shoe, worm, rug and float. Barcoo is out of Bonara Cattle Baron (dec'd) and Jeddah (unregistered Hoss pistol mare), both parents competed in Campdrafts and performed well. Barcoo is companionable and enjoys peoples' attention, he is used to being ridden by leg with a light touch on the reins. Barcoo was born in September 2000, Tansey. \$3500 + GST

Spook – 13 yr old gelding, born January 1997, by Anzac (Elliot's Creek Cadet (sire) and Ecstasy (mare)), unsure of his mothers breeding, we believe he definitely had one.... Spook would suit an intermediate rider. Generally ridden by ladies, however he is not a 'cuddly' pet. Spook likes work and enjoys campdrafting, Spook has competed in drafts and has scored, he works well in the camp and prefers to be ridden by leg with a light, firm touch on the reins (he has been trained not to be ridden on a loose rein). He does 'spook' especially when fresh, but with patience he generally will walk past whatever spooks him. \$2800 + GST

Hartigans' Our Destiny (Jack) ASH Rego 175799 – Currently a colt, born 20 November 2005, Jack has been hand raised as he was orphaned at the age of 3 months, hence he is very affectionate and extremely quiet. Jack has had some cattle experience with Eddie McBean and Max Lucht. He worked well for these gentlemen and performed all tasks without being difficult. Jack has never been put to a mare and has always behaved extremely well near mares and mares in season. Jack could be ridden by anyone. \$5000 + GST

Acres Aces – Proven Brood Mare 20/10/2002, Bred by Katie Lucht. Halter broken, easy to breed, worm, trim feet etc. Sire Peponitas' Destiny (Stephen and Joanne Idles' stallion), Dam – Pandora (Max & Robyn Lucht mare). Due to an accident this horse is lame and unable to be ridden. \$400 + GST

Gunnabee Aces – Filly 5 November 2007 Sire – Gunnadoo (ASH stallion, Ross Clark, Goomeri) Dam – Acres Aces (see above.) Lovely filly, quiet, halter broken, \$1000 + GST
